

CAMP KUZUMA, CHOBE – FACT SHEET

LOCATION:

Camp Kuzuma is an exclusive and private boutique tented camp located in the pristine Kazuma Forest Reserve in the Chobe region of Botswana. The lodge is located 85 km from Kasane and is approximately an hour's drive from Kasane Airport.

GPS CO-ORDINATES:

Camp Kuzuma, Chobe - S18 34.03 E25 48.68

CLIMATE:

Summer months (November to March) tend to be quite hot and has the highest rainfall of the year.

Cooler months (April to October) tend to be cool to warm days, with evening and night temperatures being rather chilly.

ACCOMMODATION:

Camp Kuzuma has 7 luxury open-plan tented suites situated under a canopy of Mopane trees, designed to look out into the bushveld while providing absolute privacy.

Our 7 tented suites offer luxury and comfort in this magnificent wilderness area. Each suite exudes a romantic and nostalgic ambience with safari memorabilia throughout. All suites are luxurious spaces each with a private sun deck and ensuite canvas bathrooms with high-back Victorian baths, double basins, double inside showers and an outside shower.

THE MAIN CAMP:

The main lodge area is home to an open-plan bar, lounge and dining area. The main area extends onto a large wooden deck with a swimming pool that overlooks a floodlit waterhole that is frequently visited by an abundance of wildlife including elephant and lion. WIFI is available in the main area.

The nearby sunken firepit just off the deck is a welcoming space for guests looking to find solitude and comfort whilst reading a book in the cool afternoon breeze, it is also the location to enjoy a unique Boma dining experience under the African sky.

SOLAR POWER AND USE OF ENERGY:

Our aim at Camp Kuzuma is to touch the earth lightly and minimize our carbon footprint. We operate completely off the grid using 100% renewable solar energy systems, with power being generated by solar panels.

We do offer air-conditioning but only turn it on at certain times in order to preserve power.

**ECO-FRIENDLY POOL:**

Our pool is a natural Ozone pool.

FOOD:

We utilise the surrounding villages to supply fresh produce to the lodge where possible. This will facilitate empowering the local farmers and support the villages in a continuous and sustainable way. We also have our own aquaponics veggie and herb garden.

GUEST AMENITIES:

All guest amenities including shampoo, conditioner, foam bath, liquid gel and soaps are sourced from the Charlotte Rhys biodegradable product range.

WATER SUPPLY:

Water is supplied from our underground borehole. We operate on an Eco Green Sewage system which allows us to recycle white, grey and black water to such an extent that it turns into green effluent water, used to feed the waterhole in front of the main area as well as the protected trees in the camp inside the electric fence.

ACTIVITIES:**Half-day Game Drives:**

Explore our 11,000 hectare private concession on an open Land Rover. Game drives take place in the early morning and late afternoon to take advantage of cooler weather and optimal animal activity, evening game drives allow guests to experience the bush at night and discover nocturnal animals. An expert guide and a tracker ensure your wildlife experience will be something to remember.

Bird Watching:

The Kazuma Plains are renowned for their prolific birdlife, making Camp Kuzuma perfect for twitchers. For enthusiasts, some 380 different African bird species are found in this region.

ACTIVITIES OFFERED AT AN ADDITIONAL CHARGE:**Spa Treatment:**

Enjoy a soothing spa treatment in the wild. We offer reflexology and aromatherapy massages in our open air spa tent.
