Children Activities

Children visiting Grootbos are very important individuals, with their own ideas and desires. We understand this and therefore take great care to keep our little guests happy.
At Grootbos Nature Reserve the children's activities are not just activities - they are a combination of education and fun in our wonderful natural setting. Our tailor-made children's program is about inspiring, educating and enthusing the children to make them curious of what is coming next and to ensure that they spend an exciting, interesting and enjoyable time with us.
We cater for their physical well-being with special children's menus as well as refreshments and snacks during their activities.

Here are a few of their favorite activities:

Pony Rides on the Reserve
Children between 4 and 11 years old. Accompanied by experienced guides.

Horse Riding on the Reserve
Children older than 12. Accompanied by experienced guides.

Treasure Hunts in the Forest
Enjoy the magic and mystery of the ancient Milkwood Forest.

Cave & Beach Outing
Explore caves, go for a swim, and build sand castles.

Swimming Trip to Lagoon & Beach
Visit the lagoon and the beach for an awesome swimming outing.

4x4 Flower Safari
Explore the landscape in an open-top Landrover with an experienced guide.

Land-based Whale Watching Tour
Join a guide and watch whales from the coast (June – December).

Picnic Lunch in the Cave or Forest
Throw out a blanket and enjoy special treats with your guide.

Spot the Bird, Tree, Flower Games
Have fun and learn about nature with your specialised guide.

Movies on Bad Weather Days
Watch animations and nature documentaries in the playroom.

Art Projects
Make art with natural resources collected during the day.

Help Feed the Horses & Farm Animals
Visit the petting zoo and the Stables with its own children play area.

Special Children Menu
We cater for their physical well-being – also during activities.

Babysitters Available on Request
Take some time out while we are looking after the children.
