# FULL MOON GAME COUNT SAFARIS

## An Exclusive Opportunity At Amalinda Safari Collection's Hwange Properties

The Full Moon Game Count Safari offers a unique conservation experience, tracking and monitoring wildlife for 24 hours under moonlight, set on Amalinda Safari Collection's private concession bordering Hwange National Park. Guests have the rare chance to contribute to real-time wildlife data collection. The Full Moon Game Count is a meaningful way to experience a safari with purpose, while supporting conservation efforts led by the Mother Africa Trust.

### 2026 Full Moon Dates

### What is a supermoon?

A supermoon occurs when the full moon is closest to Earth, appearing larger and brighter—perfect for an unforgettable night of wildlife sightings during our Full Moon Game Count Safari.

A "blood moon" is a total lunar eclipse where the moon appears reddish or orange due to sunlight being refracted and scattered by Earth's atmosphere
