

KHWAI LEDIBA

Khwai Community Concession, Botswana

AN AUTHENTIC BUSH EXPERIENCE & SUSTAINABLE COMMUNITY-FOCUSED SAFARI

Located along the banks of the Khwai River in the Khwai Concession of Botswana, African Bush Camps is excited to announce the opening of Khwai Lediba, a luxury tented safari camp. The new lodge will accommodate up to 16 guests and will feature environmentally friendly tented accommodations equipped with modern furnishings and amenities. Each of the 6 double rooms and 1 family unit will have an en suite bathroom with indoor and outdoor showers, a private deck, luxurious bedding, and more.

The central camp includes a pool, dining area with an open kitchen, and bar with a sunken lounge. Meals, cocktails, and bubbly will be served indoors or al fresco on a deck surrounded by sycamore and leadwood trees with stunning views across the river.

Khwai Lediba is situated near the Moremi National Park and offers guests a front-row seat to the wildlife action of the oldest protected section of the Okavango Delta, known for its diverse wildlife population, including lions, leopards, elephants, giraffes, and more.

Activities at the camp include morning, afternoon, and night game drives, as well as walking and moroko safaris (depending on water levels). The camp also offers the opportunity to visit the nearby Khwai village preschool as part of the African Bush Camps Foundation's community empowerment projects.
