

Offering unrivalled luxury, **Lemala Kuria Hills Lodge** is situated in the Wogakurya Hills, close to the Mara River and within the main corridor of the world-famous wildebeest migration. Large boulders and kopjes form the prominent features of the site and each guest suite has been carefully positioned amongst these to ensure privacy and spectacular vistas of the gentle grassed slopes, open woodland and tree lined watercourses, which all make up the scenic north Serengeti landscape. Magnificent kopjes dominate the public areas, with superb views from the bar, sitting and dining areas, swimming pool and the decks. Guests may enjoy several dining options in camp or out in the bush with a choice of freshly cooked starters, main course, desserts and house drinks. Tea is served in the afternoon before your game drive and cocktails at sunset on one of the kopjes overlooking the Isuria escarpment.
