***CHILD POLICY:**

- At Kwara we impose a strict age limit of 18 years - families with children under the age of 18 can be booked into Splash camp, located in the same concession.
- At Nxai Pan and Tau Pan, we have no minimum age from 1 April - 14 November. Thereafter, we impose the same age restriction as our other camps i.e. minimum 6 years of age
- At Lebala, Lagoon, Splash, Pom Pom, 4 Rivers Rra Dinare, Mma Dinare and Moremi Crossing: Minimum age of 6 years old. Children younger than 6 are only accepted when reserving the entire camp or Splash Enclave for exclusive use
- At Gunns Camp we impose a strict age limit of 12 years - guests under the age of 12 can be booked into Moremi Crossing, located in the same concession.
- Children under the age of 18 are not allowed to stay alone without an accompanying adult. Guests aged 16-18 years of age are allowed to stay with their parents in the family room but will not receive a discounted rate.

• We have 1 family room at Lagoon, Lebala, Rra Dinare, Nxai Pan, Tau Pan and 2 family rooms at Splash. The layout of these family rooms comprise of 2 sleeping rooms (the second of which is smaller) and one shared bathroom. These are booked on a first come first serve basis and are prioritised to families with children under the age of 18. **THESE ARE RESERVED FOR FAMILIES ONLY; NOT FOR TRIPLE/QUAD-SHARING FOR ADULTS**

• We have 1 family room at Mma Dinare, Pom Pom, 4 Rivers and Moremi Crossing. The layout of these family rooms comprise of 2 sleeping rooms and 2 bathrooms, the second of which is smaller. These are booked on a first come first serve basis and are prioritised to families with children under the age of 18. **THESE ARE RESERVED FOR FAMILIES ONLY; NOT FOR TRIPLE/QUAD-SHARING FOR ADULTS**

• At all camps except Kwara - we have one "floating" extra bed in the camp. This can be utilised in the family room for 2 adults and 3 children, OR, if the family room is occupied by 4 persons, this extra bed can be utilised in a standard room/tent to form one triple (2 adults and 1 child). We only allow a maximum of one triple to be booked (2 adults and 1 child) on any given night (in addition to the family room), please ask your reservations consultant if it is available. We will otherwise be exceeding the permitted limit of the concession.

In the case of Gunn's Camp, although we do not have a family room, the floating extra bed can be added to any of the standard tents, in the living area of the tent. In the case of Moremi Crossing, although we do have an extra bed, due to the size of the tents, including a third bed is a huge space constraint due to there being no living area in the tent. For the comfort of guests, we would discourage this set up, but we can accommodate a triple if required.

- Private vehicles are compulsory for families with children <12 years except at Moremi Crossing.
- Children have to be at least 12 years of age to take part in mokoro or walking safaris. Guides and camp managers reserve the right to disallow children from participating in activities if they feel that the individuals are not able to understand and adhere to the safety instructions laid out.
- Specialist private guides for children available from the fee table above – a highly successful safari idea.

• For safety concerns, children of 12 years of age and younger **MUST** be supervised or accompanied by one of the adults (above the age of 18 years) they are travelling with, **AT ALL TIMES**. The only exception is unless they are on a Kids Activity with a designated Kwando staff member.

• We do not have cots, high chairs or baby/child-friendly equipment, families will have to bring their own. Please speak to your reservations consultant for more information on bringing these extra items with Moremi Air's luggage allowance or for more details on what we can source locally for your family's stay in camp (both are subject to additional charges).

***CHILDREN'S RATES**

- Children are considered 6 – 15 years old inclusive. When the child reaches 16 years, the full adult rates apply.
- **VALID** only when booked into the family room, and a maximum of 3 children in the family room can receive the reduced rate.
Alternatively; **VALID** only when the family room is already booked, and the extra bed is still available, then a triple (2 adults and 1 child) with maximum of (one) 1 child can receive the reduced rate.
- At Gunns Camp, we can allow children between the age of 12 and 15 years of age to receive the reduced rate, provided they are sharing with an adult of 18 years. There can only be maximum 1 child on any given night receiving the reduced rate.
- We must be advised from the onset if there are children in the booking who are requesting the children's rate. If we are advised later, we **CANNOT** guarantee the reduced rate.
- We reserve the right to ask for proof of age.
- Can be withdrawn at anytime without notice.
- Not applicable at Kwara
- Not valid during the 5 rivers period (Refer to date period on first page).

PRIVATE VEHICLES AND KWANDO PRIVATE GUIDES:

- At all our camps, except Kwara and Moremi Crossing, we take up to 6 guests per vehicle, guaranteeing each guest a window seat. With 3 rows of 3 seats, there are a total of 9 guest seats in the vehicle.
- At these camps, 5 or 6 guests travelling together will automatically get a private vehicle at no extra charge. The private vehicle fees are for private use of a vehicle when 4 or less guests book it exclusively. The fee is based on the number of empty seats out of 6 per vehicle – so if 1 guest requires a private vehicle – the cost is for 5 empty seats, if 2 guests the cost is 4 empty seats etc.
- At Kwara, we will still operate with a total of 9 guest seats, but we will take a maximum of 4 guests per vehicle. Therefore, 3 or 4 guests travelling together will automatically get a private vehicle at no extra charge as well.
- As such, the private vehicle fees are for private use of a vehicle when 2 or less guests book it exclusively. The fee will then be based on number of empty seats out of 4 in a vehicle - so if 1 guest requires a private vehicle, the cost is for 3 empty seats, if 2 guests the cost is 2 empty seats.
- At Gunns Camp and Moremi Crossing, we do not have private vehicles available for booking.
- At Gunns Camp, we take 6 guests in a 9 seater vehicle. At Moremi Crossing, we take 9 guests in a 9 seater vehicle. Therefore, families with children under 12 years of age do not need to book a private vehicle.
- Please note that private vehicles can ONLY be booked for the complete duration of a stay in camp and NOT part thereof. Therefore we price our private vehicle fees per night i.e. that is from when guests arrive in the afternoon to when they leave the next day.
- When booking a private vehicle, this also includes a private guide however the guide is changed at each camp and is assigned to the guests at the camp manager's discretion.
- The fee for Kwando Private Guides or Family Guides is to guarantee specific individuals who are booked by guests to guide them during their stay. Any requests will be considered but the guide cannot be guaranteed unless they are booked. Kwando Private Guides who are not based at the camp(s) that guests are staying at will need to be flown in, this is chargeable to the guest. Private Vehicles also need to be booked in addition.

GROUP BOOKINGS, EXCLUSIVE USE RATES & LONG RELEASE PROVISIONAL HOLDS:

For bookings of 4 guest rooms/tents or more, (guide room excluded from the total) we consider this a group booking.

- On occasion, depending on the nature of your enquiry, we may allow you to hold a group booking provisionally for more than 14 days. You MUST advise us that you are requesting a Long Release, otherwise the provisional will be released after 14 days.
- In this scenario, we only permit the following.

Low Season: All unconfirmed space must be released 90 days (i.e. 3 months) before travel

Mid Season: All unconfirmed space must be released 135 days (i.e. 4.5 months) before travel

High Season: All unconfirmed space must be released 180 days (i.e. 6 months) before travel

Unconfirmed space means that you, the agent, has not received a deposit to secure that client's room/booking.

- At the above juncture, we will request an update on number of tents/rooms sold.
 1. We will then release all unconfirmed tents/rooms
 2. We will invoice you for the confirmed tents/rooms. This includes charging for private vehicles where they do not meet the minimum number of pax per vehicle, as well as guide accommodation where requested.
 3. If after the above juncture, there are tents/rooms added to the booking, these will be treated as a FIT booking and will be only held for 14 days provisionally.
- We reserve the right to request for REGULAR status updates on such bookings before the above mentioned deadlines for our planning purposes.
- Please refer to Exclusive Use rates to enjoy the benefits of having a private camp.
- We do not discount Moremi Air flying rates for groups.
- Cancellation terms for groups apply as per our Standard T&C
