

**Lemala Mara Tented Camp** is the ultimate tented camp in Northern Serengeti, within touching distance of the Mara River and set under large Euclea trees in the heart of the best game viewing area of the Northern Serengeti. Here, in this immense remote wilderness, guests can enjoy fabulous landscapes and terrific game viewing with practically no crowds. Resident wildlife numbers are exceptionally high, but nothing compared to when the migration starts arriving when the area then turns into a true wildlife spectacle.

Perched on the edge of a permanent marsh, **Lemala NduTU Tented Camp** is the ultimate amphitheatre for the wildebeest migration between December and March. Our 12 beautiful canvas tents are relocated from the Northern Serengeti to this stunning NduTU site to capture the boundless drama that accompanies the migration. The migration arrives in December and begin calving in February.
