Hwange National Park, Zimbabwe

## FAMILY-FRIENDLY SAFARI CAMP IN HWANGE NATIONAL PARK

Somalisa Acacia is the perfect Hwange safari experience for families with younger children or smaller private groups of safari-goers. Set on a private concession in the heart of Hwange National Park, this family camp, located to the west of sister camp Somalisa, is built under the dappled canopy of a grove of Acacias and provides guests with a breathtaking view of the golden savannah plains of Hwange.

The camp comprises of a lounge, dining room, boma, swimming pool and its own elephant drinking pool with up-close encounters and incredible photographic opportunities with elephants. There are two luxury family tents with inter-leading access between the parent's and children's rooms, both en-suite and two luxury sail tents. Each tent includes gauze sliding doors which offer 180-degree views of the surrounding bush.

The core focus of this camp is to provide families with an outstanding safari experience. Our child specialist guides offer practical and educational activities for the kids and an adventure that will delight every generation. From nature walks around camp and storytelling to cultural arts and crafts and cooking classes, the African Bush Camps' children-focused Ngwana Club creates a fun and educational environment for children on safari.

A family safari adventure at Somalisa Acacia is the trip of a lifetime that allows you to enjoy a hassle-free holiday in Africa that is as indulgent and relaxing for parents as it is exciting, educational and fun for children.
