

*Desert & Delta Safaris*  
**SPECIALIST  
GUIDING**

*Upgrading to a specialist guide for any Botswana safari is a wonderful opportunity to add value to an existing Desert & Delta Safaris itinerary.*

*We have a selection of highly trained and experienced Desert & Delta guides who will ensure the guests are in ultra-special hands from the moment they arrive.*

Booking a specialist guide allows travellers to benefit from their host's specialist knowledge and experience, while having one guide throughout their Desert & Delta Safaris itinerary will enable them to build a relationship with the guide, creating a bond and ease of travel.

**WHY BOOK A SPECIALIST GUIDE?**

**SPECIAL INTEREST TRAVELLERS**

We will match the right specialist guide with definitive travellers: from bird-watchers to professional/amateur photographers, stargazers to entomologists. We have guides best suited to all ranges of special interests.

**VIPS OR CELEBRITIES**

For guests looking for extra assistance on the ground – professional hosting with discretion and privacy where required – specialist guiding will add an extra level of enjoyment and exclusivity to their trip.

**FAMILIES**

Including a specialist guide throughout the itinerary is a perfect way to ensure families have the safari of a lifetime. This will allow the kids and the knowledgeable specialist guide to form a bond and ensure that families create the most treasured memories from their trip together.

**HOW TO BOOK A SPECIALIST GUIDE ON A DESERT & DELTA SAFARIS ITINERARY**

1. Please refer to the annual rates sheet on daily charges and terms & conditions (see the AGENT PORTAL).
2. Check with the sales consultants if the specialist guide is available.
3. A minimum of 3 nights per booking of specialist guides applies.
4. Please refer to the professional guide bios for the guides available and for more information on their specialist experience (see the AGENT PORTAL).

Please note we have access to additional specialist guides within Desert & Delta Safaris and will endeavour to match travellers with the right guide, so contact your sales consultant should you have other requirements.

Please refer to our AGENT PORTAL for Specialist Guide bios, rates and terms & conditions.

## MATHALE MOSHETI (METAL)

### SPECIALIST GUIDE

Metal is a remarkable guide with over 15 years of guiding experience. He is an incredible ambassador for Botswana, its wildlife, history and rich culture.

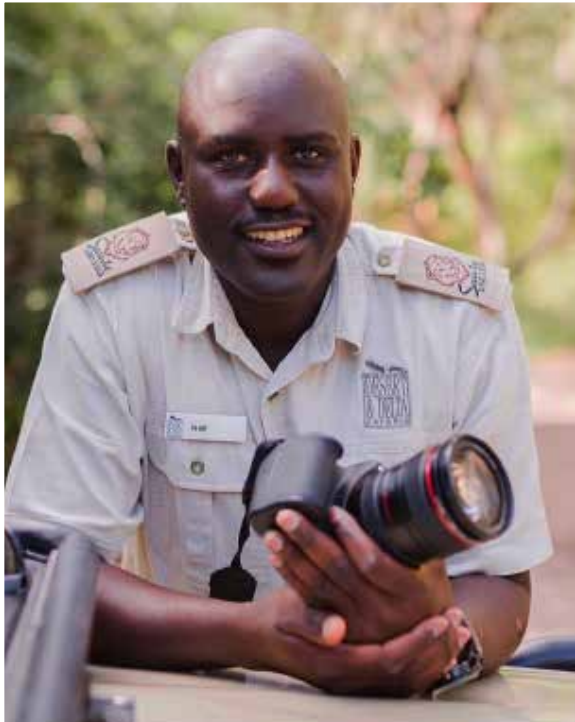

Known in the industry as “the Professor,” Metal has an in-depth knowledge of the ecosystems within Botswana. He can provide intricate information for guests interested in anything from geology to entomology.

Metal’s ability to quickly understand the needs and expectations of his guests and fine-tune their experience accordingly is what makes him such an exceptional specialist guide, ensuring all his guests have the perfect safari in Botswana.

Metal is the birdwatching expert and is recommended for any birding clients.

## ISAAC MPUCHANE

### SPECIALIST PHOTOGRAPHIC GUIDE

Isaac is a phenomenal guide with over a decade of experience guiding through Botswana's renowned wildlife areas, including the Chobe River, Savute region, Makgadikgadi and much more. Isaac spent several years working in Chobe, honing his photographic skills as a specialist photographic guide on the Chobe River, one of Africa's wildlife photography hotspots.

Isaac combines exceptional knowledge in photographic skills with patience and a passion for sharing his knowledge. He is comfortable hosting top wildlife photographers in vehicles or boats, positioning them to take full advantage of the subject while predicting the movement and behaviour of the wildlife. Isaac can also assist amateur and intermediate wildlife photographers by helping them develop their skills and choice of settings.

Isaac's main set-up is Canon, but he also has a strong handle on all Nikon gear, plus a basic understanding of Sony and other brands' equipment.

For further information you can access Isaac's profile on Instagram:

Please refer to our AGENT PORTAL for Specialist Guide bios, rates and terms & conditions.

## LONDANI STAYFREE KING

### SPECIALIST GUIDE

Londani Stayfree King, known simply as King, has been a professional guide for over 10 years. King's passion for walking safaris has led him to hone his skills as a specialised walking guide. Equipped with weapons training and a Lead Trails guide qualification from BQA (Botswana Qualification Authority), King ensures the safety of his guests while exploring the wilderness, allowing travellers to connect intimately with nature.

Guests looking for a deeper understanding of tracking or a chance to explore more of the wilderness on foot are ideally suited to booking King. Whether exploring our walking-based camps or planning extended walking safaris, King tailors each adventure to the region's unique offerings.

Although guests choosing King as their specialist guide are choosing a walking safari expert who knows how to make their safari truly special, he is also an excellent choice for any combination of the regions within our circuit, and his exceptional communication skills make him the perfect guide for families and small groups from around the world.

For more information about King please contact: [marketing@desertdelta.com](mailto:marketing@desertdelta.com)
