WILDWATERS

Wildwaters Lodge lies on a unique private island mid-stream within the mighty River Nile in Uganda.

Uniquely perched on granite rocks with dramatic and exciting rapids roaring all around, Wildwaters is in a sublime location and only reached by boat which makes it a very adventurous place to stay.

## Have a gander in the world's most famous river

There are some "worth a try" fishing spots around the island at Wildwaters Lodge that we are happy to guide you to. For some reason, local guys with basic kit do a lot better than we do! They're always delighted to be asked for a few pointers on how to land that tilapia or Nile perch you've always wanted.
